

## Roofers Program

Roofing professionals need a Workers' Compensation partner they can count on. Builders Insurance Group has been delivering quality coverage, flexible options, dedicated customer service and attentive claims management to light commercial, residential general and trade contractors for more than 16 years.

Let Builders Insurance Group show you how we can be your new partner for Workers' Compensation. Contact an independent insurance agent in your area to learn more. To Locate an agent in your area, visit [www.bldrs.com](http://www.bldrs.com) or call 1.800.883.9305.

Roofers Program from Builders Insurance Group offers many benefits:

- Expertise, history and unique understanding of the construction industry.
- Competitive rates and coverage options.
- Quality Loss Control program - All roofers receive a personalized loss control consultation within 90 days of the policy effective date.
- Fast, reliable and accurate self-service technology tools, such as online bill pay, to better manage accounts and save money!
- Responsive claims services.
- Flexible payment options.
- The confidence of doing business with a financially secure partner – all member companies of Builders Insurance Group are rated A- (Excellent) VIII by A.M. Best Company.

The Builders Insurance Group Roofers Program is ideal for commercial roofers who meet these criteria:

- Qualifying job classes included commercial roofing contractors, sheet metal contractors specializing in roofing and suppliers of materials to the roofing industry.
- A minimum of \$150,000 in payroll.
- A demonstrated track record of safety.
- No previous Workers' Compensation claim that resulted in a loss of more than \$100,000.

## YOUR NEW PARTNER FOR WORKERS' COMPENSATION

Builders Insurance Group was founded in 1992 for the express purpose of providing insurance products and services for the residential home building community. Today, the company provides quality products, superior customer service and easy-to-use technology tools to more than 12,500 policyholders operating as trade contractors, light commercial builders and professional roofers as well as home builders. Through its years of service and expertise, Builders Insurance Group has become the largest Workers' Compensation underwriter domiciled in Georgia and a leading provider of General Liability.
